I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: Please do not take yet another  
one of our freedoms away when it comes  
to who we choose to buy our medications  
from. It will cost millions more in the  
long run because I can't change Dr's &  
Pharmacies
